“ Paul and I played slo-pitch for Rogers Group for about 7 seasons together. We would run into each other years later and reminisce about the good old days. He was a great friend and I always held him in the highest regards. Love ya Bubba.

“ I will never forget the first time I met Paul, it was upstairs on the old surgery floor of Dunn Memorial, in 1976! Elese, was a surgical tech and she wanted me to meet Paul. You could see the love between the two of them. I continued that special friendship even after moving off to the Navy and then my seven years of undergraduate and graduate school. Paul and Elese held a special place in my heart! Rest in peace dear brother. I know you are happy again to be with your lovely wife!

“ I met Paul through GE. We became good friends since I played softball too. He was a heck of a hitting coach whenever I needed help. Rest In Peace, Paul. You will be missed.
